B. Ed. Education: Educating those who are future educators!

Bachelor of Education (B.Ed) in India has been improving day by day. The ultimate goal is to get a job. One of the most respectable and secure jobs in India is the teaching job. To get a job as a teacher you need to have a degree of B. Ed in your hands. Bachelor of Education is abbreviated as B. Ed. It is an undergraduate professional degree that opens the door of teaching jobs for you.

The minimum qualification that is required to take admission in B.Ed course is to possess an undergraduate degree that may be a B.A. B.Com. or B.Sc. etc. The ones who have done their under graduation in arts will be taught English, Hindi, history, Political Science, Fine Arts, Home Science, Economics, geography, etcetera and the students who have their under graduation in science are taught physics, mathematics, chemistry, and biology.

B.Ed in India, NCTE (National Council for Teacher Education) Offer Teaching profile is considered as a most respected profile in the society as teachers play an essential role in student's life. To become a teacher one should have a bachelor of education. B. Ed Education India ensures job security and satisfaction with a nice salary package. Students can take admission in the offline study but these courses can be done in regular only.

B.Ed Fees structure – The Total fees for the B. Ed education course is payable as per the state Govt. norms, it also may vary according to a different university, Govt. of Bihar or colleges conditions.

B.Ed duration in India- B.Ed learning can be done in the 2 year as it depends on NCTE / University selection.

Bachelor of Education(B.Ed) Eligibility Criteria: Student should have passed their graduation / Post graduation with minimum 50% of marks in any discipline and he/she has to choose the subject which they have studied in their graduation.

- Candidates should have passed Graduation for the admission
- A minimum aggregate score of 50 % in graduation / Post – graduation level
- Successful completion of graduation in any of Bachelor of Arts, (BA) or Bachelor of Science (B.Sc.) or Bachelor in Commerce (B.Com) etc. from a UGC recognized Universities.
- A citizen of India who has passed any Bachelor's degree examination of BRA Bihar University or any University in India or abroad recognized as equivalent through 10+2+3/4/5 pattern of education who has obtained 50% of marks in aggregate of all the subjects he/she has studied for degree is eligible for admission to B.Ed. programme.
- The candidate with less than 50% aggregate in the degree, but a Masters Degree with 50% is also eligible for B.Ed. programme.

Colleges and their rules about Bachelors of Education (B. Ed education):

There are various colleges in India that offer this course. Initially, this course was of duration of three to five years, but now it is one two years. Some colleges offer just a year's course. Some colleges conduct their own entrance examinations and the general examination is for few institutes. This course is for those people who want to pursue their career in teaching or as a teacher. Especially for getting a job as a teacher in primary schools and higher secondary, this is the basic degree required. A person having masters in a subject is also denied the job if he does not possess the Bachelors of Education degree.

Attendance: Every student is required to attend all the Lectures, Tutorials, Practical's, and other prescribed Curricular and Co-curricular activities. The attendance can be condoning up to 20% on medical grounds or for other genuine reasons behind the control of students. The attendance shall be counted from of academic session whichever is later.

Ragging / Indiscipline: Ragging in any form is banned in the institution and anyone indulging in the act is liable to be reprimanded appropriately. Punishment may even include expulsion from the institution and or imprisonment for a period of 3 years and/or fine up to rupees 25,000/- as per Indian panel code. The students and parents or guardians will have to give an undertaking that the student is aware of the law regarding raping rules and the parents/guardians agrees to abide the punishment meted out to his/her ward in cases he/she is found guilty.

Dress code: Our institute has for its students prescribed a uniform during an internship, which develops a sense of identity with the institution provides ID

card.

Discipline & Code of conduct: Students are expected to behave in an orderly manner on all occasions and to obey the instructions that are notified from time to time.

The discipline committee comprising of faculty members and students oversee all issues concerning discipline.

B. Ed Eligibility Criteria

- Candidates should have passed Graduation for the Admission.
- A minimum aggregate score of 50% in graduation.
- A minimum aggregate score of 50% at the post-graduate level.
- Successful completion of graduation in any of Bachelor of Arts (BA) or Bachelor of Science (B. Sc.) or Bachelor in Commerce (B. Com.) from a recognized university.

Bachelor of Education(B.Ed) Syllabus for the course:

There are various skills and diverse knowledge is imparted to the students who opt for this course. They are going to be the future teachers who would shape the minds of future India thus immense care is taken about the syllabus of the teachers to be. They are taught everything that a teacher needs to know. Right from moral values to the core knowledge about the subject, all are taught. The syllabus includes core subject knowledge, developing teacher's sensibilities, the vision of education in India, Health, and Physical Education, Art and aesthetics, etcetera.

The syllabus is almost the same for all the streams except the difference in the core knowledge of the subject that they have taken up.

Credit: Credit is a unit of academic input measured in terms of the study hours. It reflects the number of "study hours" in a particular period of time devoted to various aspects of the teaching learning process such as attending classes, engaging in assignments, projects, seminars, community activities & practical courses required for the course etc.

Grade: Grade means a letter symbol (ABC) which indicates the broad level of performance of a student in an answer, course, semester, and programme.

Grade Point Average (GPA): The means of grades obtained on a number of subjects / tasks for a specialized period is the GPA

GPA is calculated by dividing sum of the weighed grade points obtained by a student in a semester by the total number of credits taken by him/ her in a semester. The value shall be rounded off to two decimal places.

Cumulative Grade Point Average (CGPA): CGPA is the value obtained by dividing the sum of the credit multiplied by GPA for four semesters by the total credits for the entire programme. The value shall be rounded off to two decimal places. CGPA will be converted to letter grades for the final results.

Employment Area for Bachelor of Education(B.Ed)

• <u>Private Tutions</u>	• <u>Education Departments</u>
• <u>Publishing Houses</u>	• <u>Home Tutions</u>
• <u>Colleges / Universities</u>	• <u>Schools & Colleges</u>
• <u>Research and Development Agencies</u>	• <u>Education Consultancies</u>

Bachelor of Education(B.Ed) selection process and examination:

How the students are selected after the examination: Documents are then verified for the final admission process. All the documents starting from the tenth standard mark sheet to the mark sheets of courses completed till date are verified only when the students are granted admission.

Career options after the Bachelors of Education(B.Ed) course: It is a false fact that a person can only take up teaching as a career after completing his degree in Bachelor of Education. However, this degree is a compulsion to become a teacher. Other qualifications are also required.

To teach in higher classes one needs to go for masters in the same subject that they have done theirs under graduation and Bachelors of Education. Students can even take up a higher level course and go for Masters in Education. The person who completes his Bachelors of Education degree can become a teacher in government schools as well as private schools. There are various other career options too available after completing your Bachelors of Education. You can go for content writing jobs or even become a journalist if you decide to choose that line. Students can even opt for the line of an educational consultant or educational administrator.

B. Ed Admission Process: One can take admission by applying online as well as offline. For an online process, a student needs to send their filled application form along with document copies of 10th,12th and graduation and also ID and residence proof copies. Bachelors of Education is a course of two years which teaches you all, from moral values to everything that a teacher needs to know, all the sensibilities and responsibilities. Various colleges offer this course but you should choose the college of your choice and should take up the stream of your choice.

Affiliations: This College is Approved by NCTE and Recognised by Govt. of Bihar & Affiliated to BRA Bihar University, Muzaffarpur.

Certificate Validations: All your certificates will be valid for private and government organizations if you meet the required selection process and your documents will be attestable by the government organizations. Your certificate will also be applicable in study and job abroad. For offline procedure or more
